Cher the wise beagle has decided to take her best friend Will on an adventure. Will is very excited!

“We are going to be volunteers at a dog rescue centre!” says Cher.

“What is a volunteer?” asks Will.

“You’ll see,” replies Cher.

“Put on your walking boots and let’s go.”

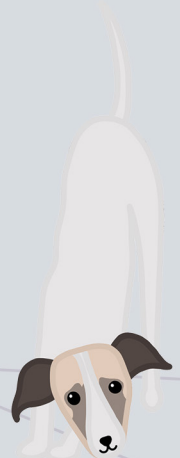

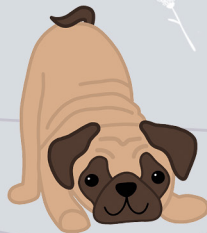

**At the centre, they are greeted by Linda,
one of the team leaders.**

**“Here’s Pedro the pug, Bella the beagle
and Nikita the whippet. The dogs would
like a nice walk please,” says Linda.**

“Thank you so much Cher. You’re my best friend!”
